

The making of a SUSTAINABLE CITY

Discover rfsc.eu, a free web tool designed for cities

1. Build your strategy

Set your objectives according to:

European goals

Global goals
SUSTAINABLE DEVELOPMENT GOALS

2. Assess your actions

For each objective:

- Describe your actions.
- Estimate their impact.

Objective 10
INCREASE CITIZEN PARTICIPATION

Objective 17
IMPROVE INCLUSIVE EDUCATION AND TRAINING

Objective 19
STIMULATE GREEN GROWTH AND CIRCULAR ECONOMY

3. Monitor your progress

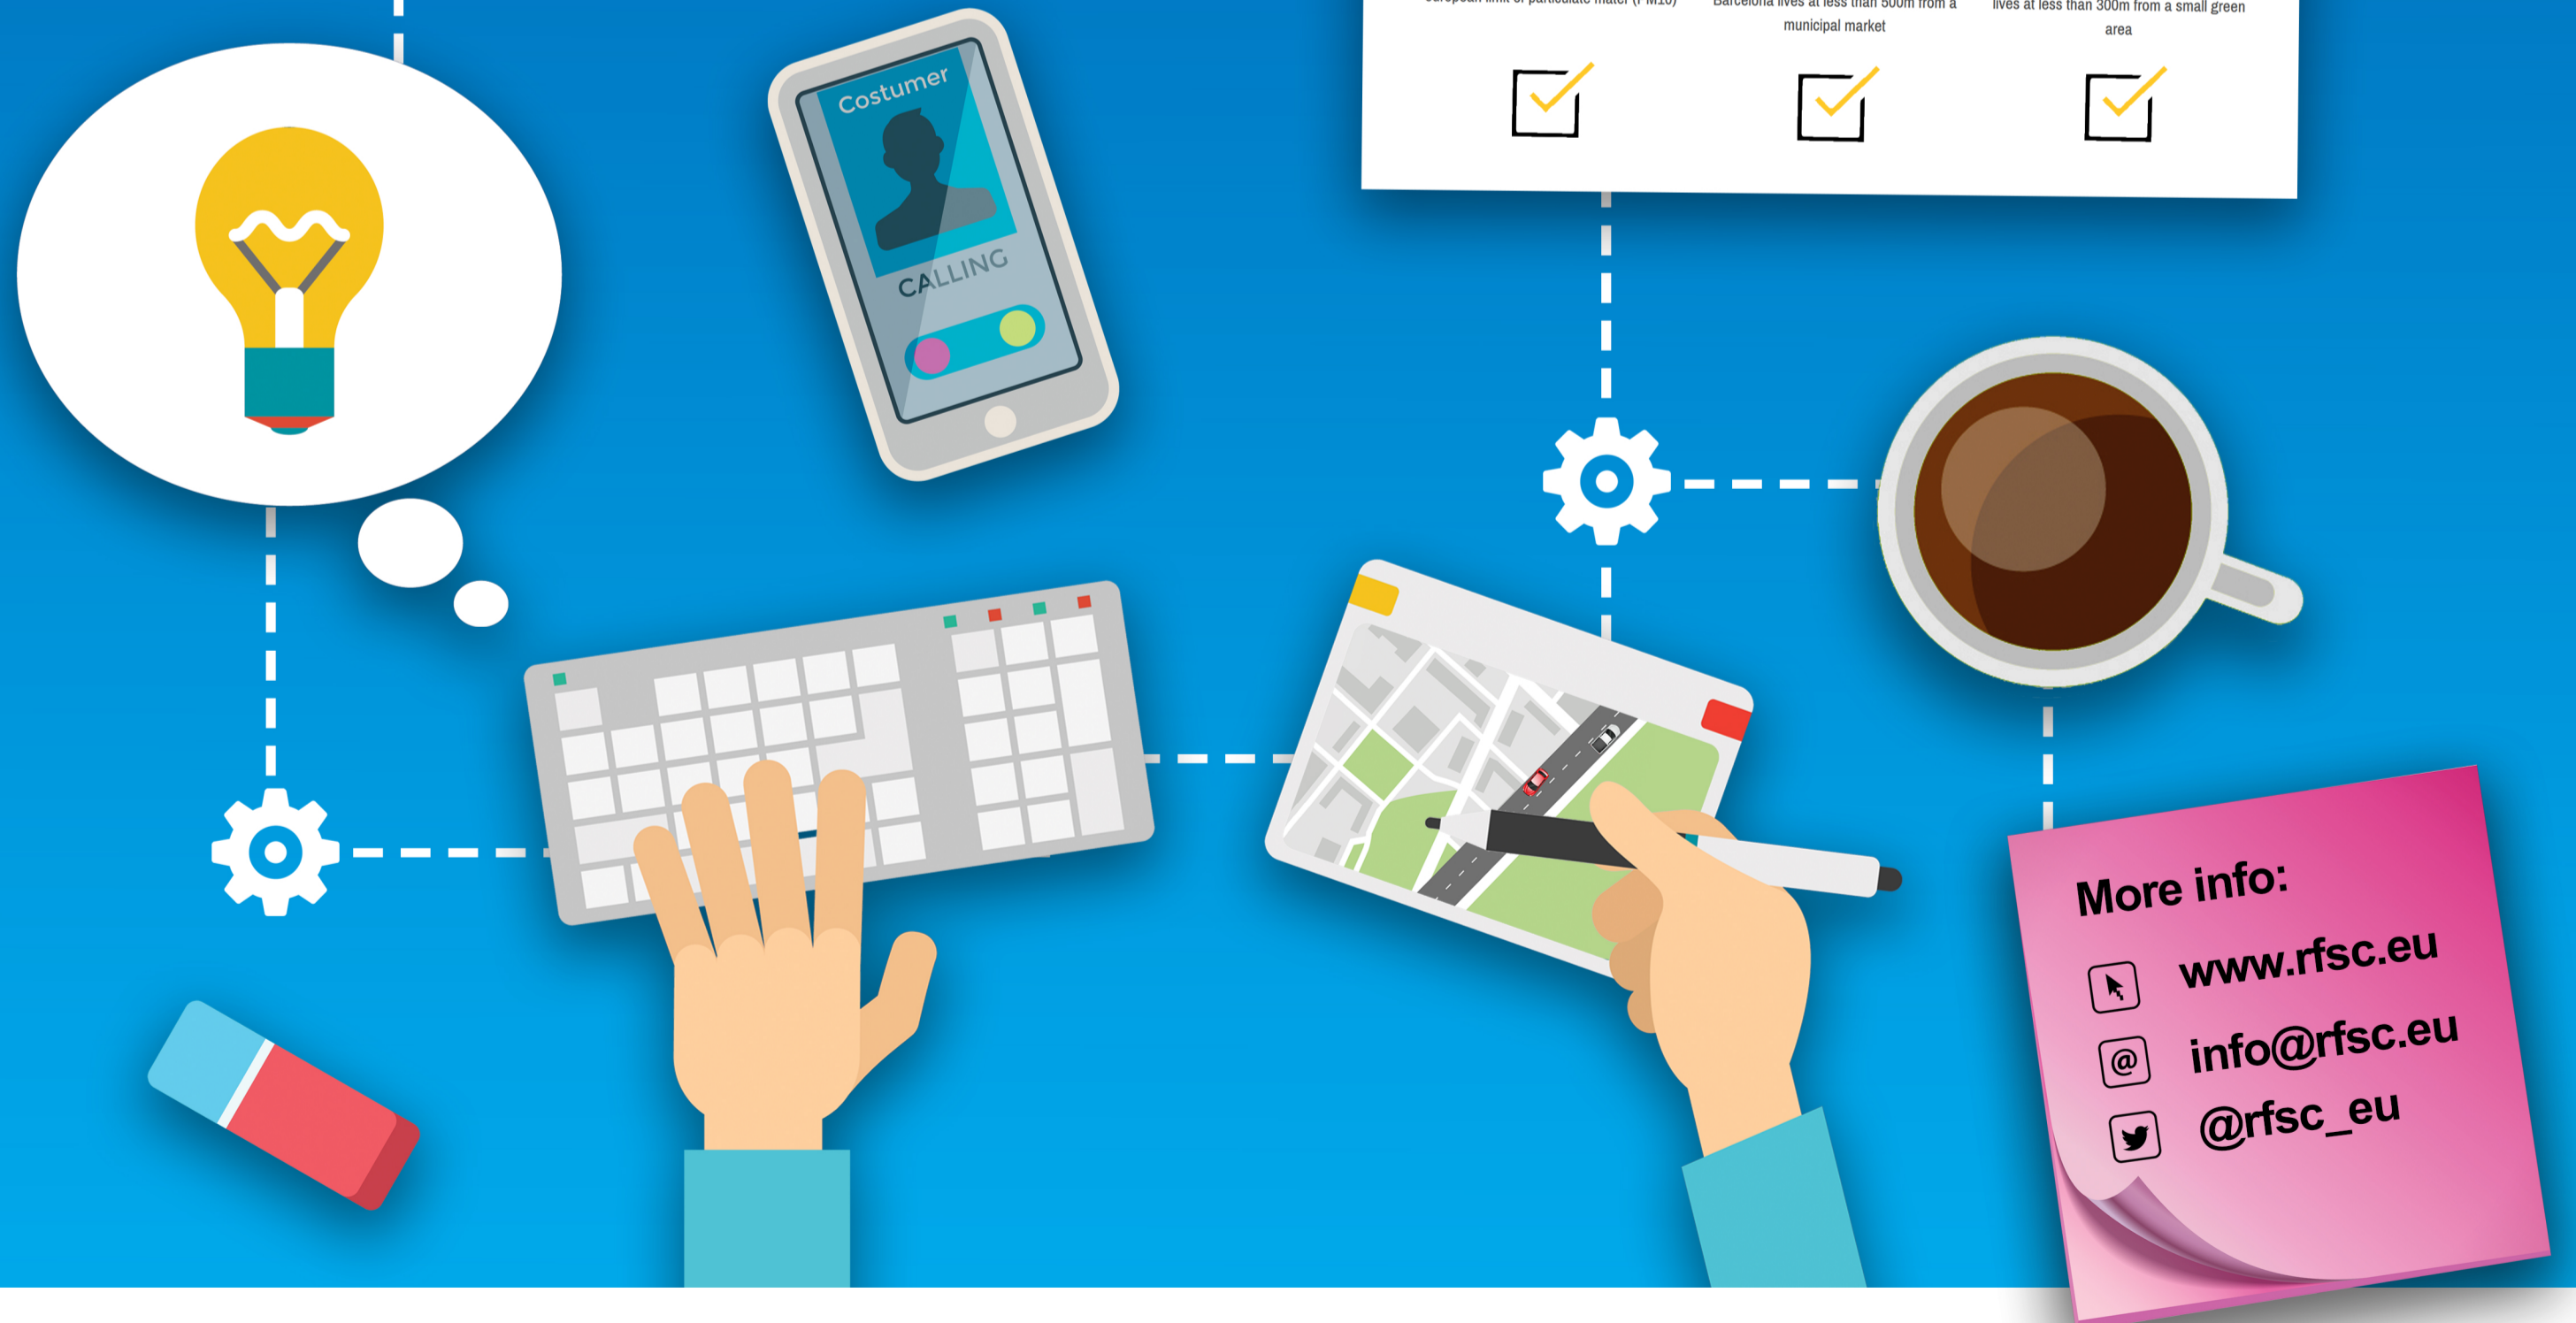

Pick the indicators you need.

AIR QUALITY
In Stuttgart 63 days beyond the european limit of particulate mater (PM10)

BASIC SERVICE PROXIMITY
56% of the population of Barcelona lives at less than 500m from a municipal market

ACCESS TO GREEN SPACES
69% of the population of Genova lives at less than 300m from a small green area
