

## Introduction

Welcome to an update on funding opportunities for Ukraine's sustainable and modern recovery. The document was produced within the framework of the Bridges of Trust project by the Council of European Municipalities and Regions (CEMR). You will find information on 5 calls for proposals open to local and regional governments. Each call outlines eligibility criteria, available funding amounts, and application deadlines. We invite CEMR member associations to disseminate the calls for proposals amongst "Bridges of Trust" municipal partnerships. We aim to contribute to the tangible progress and sustainability of local communities by providing local authorities in Ukraine with this comprehensive info support.
